

Royal **Green** Clay

---

PURITY & MAJESTIC

## The **Royal Green Clay** from Brazil

Green clay, **recently discovered**, with the **highest international degree of purity**, has **organic components**, which were tested in laboratories and revealed a highly **purifying, detoxifying, healing** and **regenerative performance**. Its high index of **kaolinite** and **illite** make this clay a **powerful active principle, unique and exclusive**.

100%  
of purity

The graphic for '100% of purity' features the text in a large, elegant green serif font. Below the '100' is a small white dish filled with fine green powder. To the left of the dish are several vibrant purple orchids with green leaves. A soft, glowing yellow and white light effect emanates from behind the text and the dish, adding a sense of purity and naturalness.

## Proven **Benefits**

- **Rapid healing** of the skin
- **Invigorating** and **continuous** rejuvenation
  - Control of **excessive oiliness**
  - **Decreased aggression** from pollution
- **Relief from inflammation** of the dermis and epidermis

## Clay in the **Luxury Skincare Market**

**Leading high-end cosmetic brands** use clay as a **major component** in **intensive skincare** products. **Royal Green Clay** stands out because, **due to its purity characteristics** (94%) and high mineral richness, **it adds the characteristics of the other clays**, being ideal for the production of **the most suitable skincare cosmetics**, including development with **nanotechnology**!

Body cream Anti-Âge  
SISLEY - U\$ 452,00

Body moisturizer  
LAMER - U\$ 443,00

Anti-Pollution Clay Mask  
CHANEL - U\$ 77,00

## Exclusive product

**Thorough laboratory tests** have proven that the **Royal Green Clay** is indicated for the high-performance **cosmetics** and **medication** industries. **Its unique properties**, combined with the **refinement of its particles** and the **purifying content**, make it a **unique raw material**, especially for **luxury cosmetics**.
